FOREWORD

As this foreword is written, a moment is spent in introspection. **Foreword** or **Foreward**—the implication is the same. **Forward!** How many brave visions this word conjures in the mind.

Undergraduates move **forward** with the progress of education. The class of 1937 moves **forward** into a realm of greater intellectual achievement and progress.

It does not matter the size of the steps we take, or the immediate successes we may attain. What does matter is that, even if the way is steep and the advance slow, we move **forward**.

DEDICATION

This, the XIV Volume of the Pioneer, is written as a dedicatory monument to all the students of Sacramento Junior College. Without your assistance and friendly interest this annual, or any other college activity, could not be made possible.

IN MEMORIAM

Here is apparent the futility of the written word. Mere words, insignificant as they are, can not describe the bereavement of us who are left behind. Our hearts can not speak our feelings. Yet we may be comforted by the thought, "they are not gone, but gone before."

J. B. LILLARD

MESSAGE FROM THE PRESIDENT

A good annual summarizes the year's events and adds a volume to the history of the activities of the college. That is why this annual will go into your library and will be taken down from time to time in the years to come to recall an individual or an event or to be poured over in happy remembrance.

J. B. LILLARD,
President.

DEANS

TO THE CLASS OF 1937

The years come and the years go when one stays on in the Junior College, and some of these years are very much the same as others except for the faces of the students, but this year is quite unique for we are showing material signs of material growth—our new buildings! All of us, faculty as well as students, who are to benefit educationally by our expansion may make this a personal opportunity to increase in knowledge and culture, and to "build well for the future."

BELLE COOLEDGE,
Dean of Women

TO THE CLASS OF 1937

Your going will leave a niche hard to fill. We shall miss you tremendously but we shall look forward to your frequent visits back to this campus, and shall always be greatly interested in the progress you will be making toward those several goals you, individually, have before you. Our good wishes go with you.

HENRY M. SKIDMORE,
Dean of Men.

TO THE CLASS OF 1937

"Not Across But Crossing the Alps" runs the motto used by classes in colleges years ago. And, it aptly describes the state of student activities in any semester of any year. We never quite get over the baffling peaks of balanced budgets, large and enthusiastic student audiences, and a unified spirit in all college enterprises. But it is better to be on the way than to have arrived.

EDWARD I. COOK,
Dean, College of Activity.

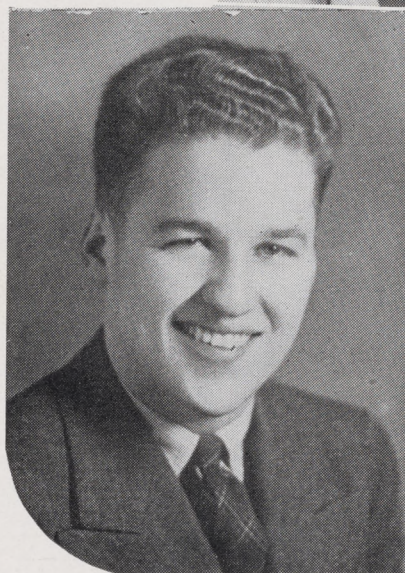

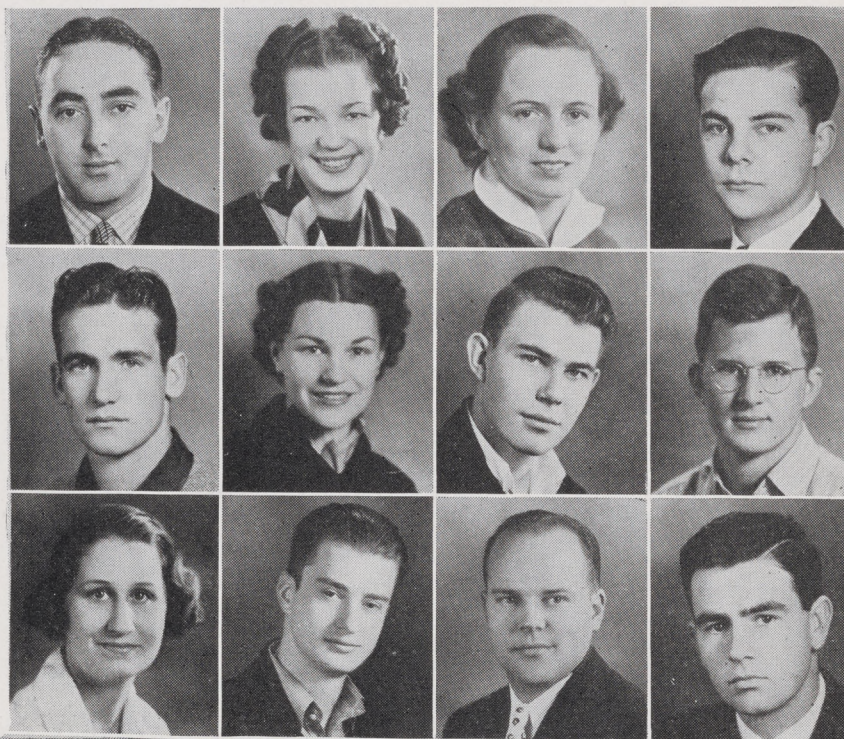

TO THE CLASS OF 1937

From its earliest beginning, the Sacramento Junior College has tried to meet the needs of all of its students and to occupy a distinctive place in the community in which we live. It was in this spirit of helpfulness and friendliness to our young people that the Student Personnel Department was first established. It is in this same spirit that we are continually improving our services to you.

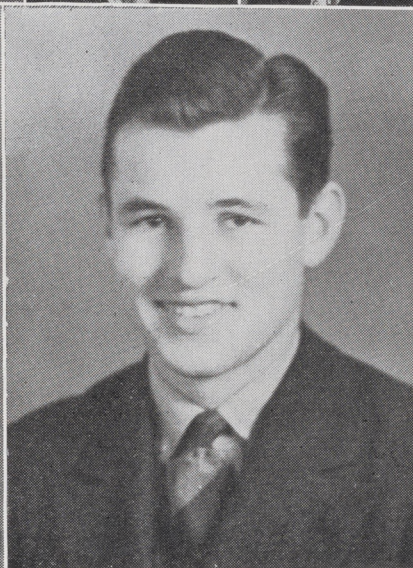

We hope that in a constantly expanding curriculum, and with the assistance of trained and conscientious faculty members, we can more adequately assist you in meeting the problems of the modern world. It is my hope that this institution will always personify the spirit of the Western Pioneer.

HARRY E. TYLER,
Dean of Counselling and
Student Personnel.

"Moor Born" by Dan Totheroh was the first offering of the dramatic art department in the 1936-37 season.

The story concerns the lives of the famous Bronte family, especially Emily and Branwell. Mr. Bronte, a minister, worships his only son Branwell, regarding him as a genius. The lives of the three girls, Emily, Charlotte, and Anne are spent in maintaining the deception. Emily even goes so far as to give Branwell credit for her own novel. That is, she makes Charlotte promise to carry out this wish before she dies. But Charlotte destroys the document after Emily's death, thus giving credit for some famous novels to the right person, Emily, who has become an immortal authoress.

"The Ivory Door" by A. A. Milne, is a fantastic "Graustarkian" romance. A different type of setting, that of drapery, was used very effectively. Tom Okamoto, an art student, designed the sets.

The story centers around the mysterious Ivory Door in the castle of a mythical European King. The legend is that anyone entering the door is never heard from again, and meets a horrible fate. The young king of the country determines to find out the truth. He finds that there is just a long dusty passage leading outside the castle walls. But no one believes him, saying he is the devil in disguise, who has returned instead of the king. In the end the king and his princess go through the Ivory Door to a new life together.

The play was directed by Miss Frances Frater, who also acted as technical advisor.

One of the most enthusiastically received plays at the college was the third presentation of the year, "The Romantic Young Lady," by G. Martinez Sierra.

Rosario, the romantic young lady envies her three brothers, who get out into the world and enjoy cosmopolitan life, while she remains at home. She obtains her wish however, when romance, in the person of Luis Felipe de Cordoba, a young author, enters her life suddenly. The romantic comedy contains many laughs, romance and whimsy.

Miss Frances Frater also directed this play with Mr. H. M. Ward in charge of sets and technical advice.

"Kind Lady," by Edward Chordorov, was the final production of the season and was directed by Mr. John Lawrence Seymour.

Although a rather dismal story, it has a happy ending. Miss Mary Herries is the kind lady, so called because she is prone to think only good of everyone. She is noted for an outstanding art collection, which is utilized by a clever gang of crooks. They keep her prisoner in her own house in an attempt to make her sign over her property. Everything turns out allright, however, after a series of complications.

Miss Frater was technical director.

FEATURES

Mr. Jack Strasberg,
The '37 Pioneer,
Sacramento Junior College,
Sacramento, Calif.

Dear Mr. Strasberg:

Have just received the photographs of the Pretty Pioneers, and it's going to be a tough job to pick six types as you suggested.

However, with that end in mind it occurred to us that a movie star classification might not be amiss, although a fair judgment from merely a bust photo cannot possibly be an accurate one. So please forgive me if I am in error.

In attempting to "type" the different beauties, as I look at Phyllis Pratt I visualize Marian Hopkins, Jane Hart suggests Carole Lombard, Dorothy James brings to mind Ruth Chatterton, Neva Pimentel suggests the exotic Merle Oberon, the spontaneous smile of Nola Swain smacks of Simone Simon, while Marjorie Carlson suggests the winsome beauty and charm of Una Merkel.

Yours sincerely,

GEORGE B. PETTY.

ART BALL

bugs . . Bugs . . BUGs . . BUGs . . BUGS . . and with "Bugland on Parade" the eleventh annual Art Ball was presented in the Memorial Auditorium on November 6.

Amused by the giant Caterpillar "doormen," the five thousand spectators were prepared for anything at the start of the spectacle.

Into the gloom of the dimly lighted stage danced a tiny Firefly, beautifully portrayed by Miss Grace Sakata. Closely following her were a group of Glow Worms, who danced their "Dance of the Glow Worms." They were Josephine Lewis, Ruth Ryan, Helen Heber, Eda Florian, Elinor Smith, Bernyce Speich, Barbara Cunningham, Jane Hart, Mary Ellen Ward, Mildred Luck, Dorothy Livingston, and Mary Louise Boyd.

Enter next the beautiful Queen Butterfly, Miss Neva Pimentel, followed by her royal attendants, the Misses Frances Meredith, Jessie Myrick, Helen Moorse, Dorothy Orwig, and June Parkinson.

Seated upon her throne in the forest land, the Queen was entertained by her loyal subjects. First came the dainty Lady Bugs on parade, their numbers including: Nola Swain, Phyllis Pratt, Nancy Lee Meister, Jean Morgan, Miriam Baisden, Alice Rae Hanley, Genevieve Wakefield, Edith Adele Heilbron, Margaret Pierce, Audrey Corrigan, Mary Carey, Ida Adele Moody. Richard Mier presented a most novel and clever Spider Dance, one of his own origination. Then the Moth Ballet in all its lacy beauty and simplicity, ably presented by Doona Murphy, Janet Cohn, Martha Schmidt, Elizabeth Coghill, Margaret de Saules, Helen Gaddis, Margaret Stoddard, Genevieve McConnel, Nina Albright, Majel McDonald, Doris Ann Neeley, Jane Lorenger.

Amusement was provided by the Grasshoppers, George Labidie, Bill Cox, Brandt Brereton, Richard Dodge, and Gerald Nash; the Beetles, Bill Gambling and Herbert Cary; and those continually falling down "doormen," the Caterpillars, Will Hom, Lynn Hadfield, George Johnson, Jessie Rice, Ernest Smith, and Albert Huelsman.

Those who had charge in making this one of the best Art Balls in years were Pageant Managers Louise Thielen and Bernyce Speich; Dance Directoress Leone Arnold, and Faculty Advisor Marjorie Graham. Working as chairmen of the various committees were: Scenery, George Labadie; Costume Design and Construction, Grace Luebow; Patrons Committee, Flora Jeanne Schwartz; Lighting, Jean Zelle; Posters, Richard Dodge; News Releases, Billie Coleman; Letters to Alumni, Jean Taggart; Radio, Howard Hagge.

Commemorating the 20 years of the Junior College in Sacramento, the S. J. C. Varieties of 1936 went into production on December 18 at the S. J. C. Auditorium. For the first time the annual Varieties show centered about a theme and had a plot.

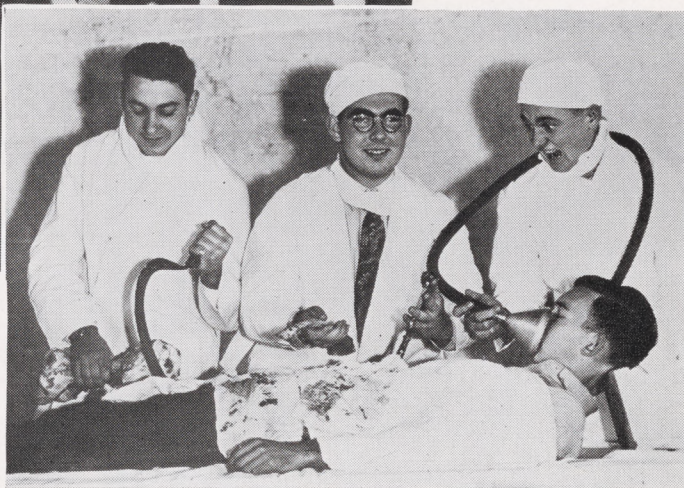

Opening with the birth of Junior College, the son of Joe College, 'way back in 1916, the show pauses while 20 years elapse, during which time Joe College pulls a "Rip Van Winkle." Awakened by Junior College, now a fine young student, in 1936, Joe is anxious to be shown the modern world and is taken on a television tour by Junior.

The Wally-Edward romance was the "tops" in news then, so Joe was shown the marriage of the two royal love-birds in jolly old England. Then in quick order he was shown the "Phony Suppress" or S. J. C. "Winchel Rag;" this modern craze called "Swing;" the present day Pre-Med Classes; gymnastics and tumbling; the "Phony Suppress" for more dirt; the work of the Art League; the Associated Women Students; the Supreme Court of these United States; and another treat from the Phony Suppress.

The finale was a grand presentation of an S. J. C. radio broadcast in the interests of getting a four-year college here. This program included a Gang Buster's drama, the Tricky Trio, and a stirring rendition of Uncle Tom's Cabin. The Varieties was further embellished by the singing of Christmas Carols by the A Cappella Choir.

By far the best stunt of the show was put on by Robert "Bob" Mallet, the originator of the Varieties, now a student at Stanford. Bob gave a group of impersonations that were wonderful and stopped the show for a long time.

Original compositions included "I Still Cry for You," written and sung by Bunny Crites, and "Underneath the Campus Moon" by Esther Wilson. Music for the show was furnished by Carlisle Kramer. The roles of Joe College and Junior College were well handled by Howard Hagge and Jack Reese, respectively.

The idea was conceived by the co-chairmen Albert Hamilton, Dalton Newfield, and Carter Kilborn. Those on the committee were: Ken Giga, John Calvert, Jane Lambert, Merlin Gayman, Jack Reese, Lawrence Bacon, Howard Hagge, Kenneth Zumwalt, Frances Merideth, John Cowan, Helen Heber, Jack Pratt, Bill Hunter, Billie Coleman, Traver Hilby, Dick Crowle, and Ned Baugh.

Characterized in non-conference games by powerful offensive and stalwart defensive play, and in conference clashes by inconsistency on both offense and defense, Coach Hack Applequist's 1936 Panther Football team hung up an "in-and-out" record of three victories, one tie and four defeats.

On the "in" side of the record book the Sacramento eleven exhibits a 19-0 win over Chico State, a 51-0 slaughter of the hapless Mare Island Apprentices, and a 20-0 triumph over the Cal. Aggies, traditional rivals. The "out" side shows a tie with Marin and losses to the California Freshmen, Modesto, San Francisco, and San Mateo.

The Red and Gold Panthers opened the season Friday night, October 2, with a 19-0 conquest of the Chico Wildcats in a game sprinkled with offensive thrills provided by the open-field running of Cliff Perry, shifty Panther left halfback.

The first score came midway in the second quarter with the Panthers in possession of the ball near midfield after an exchange of punts, when fullback Cliff Bertelson, coming out of a spinner, slashed off right tackle for 52 yards and the touchdown. Perry converted to make the score 7-0.

Early in the second half center Bob McCandless happily ended what might have been a Chico score. Fullback Allan Cottar faded back and tossed a 25 yard pass over center to Halfback Len Roberts who rambled 28 yards more in the clear until he was finally downed from behind by the stocky pivot-man.

Sacramento scored its second touchdown when Cliff Perry, coming around from his left-wingback position, took a reverse from Bertelson, wriggled free from a wave of Wildcat tacklers, broke clear into the secondary, outraced his interference and scored standing up after a 34 yard gain. About two minutes later Perry on the identical play again broke loose and behind Al Guerrero's beautiful blocking twisted his way 50 yards to the final touchdown.

MGR. WAYNE BOGGS

The Berkeley jinx and a few bad breaks were all that the California Yearling squad needed to give the admittedly superior Sacramento team its first setback. Had luck been a little kinder Cliff Bertelson's last minute touchdown pass might not have slipped from Captain Jes Calleri's fingers.

Four minutes after the game started the Panthers tallied the first score on a 57 yard sustained drive, featured by Ben Reams' 26 yard gain coming from a double-reverse. The drive ended when Bertelson whipped a flat pass to Perry, who sped 22 yards to the goal. The conversion was wide.

Clint Evans' Bear Cubs scored midway in the second quarter on a drive climaxed by Hubert's six-yard touchdown pass to Semmens. Scoring ended for the day when Hubert took one of Bertelson's poorly-covered punts and raced 58 yards down the middle of the field to score unmolested.

HUNTER BLOCKS FOR PERRY IN THE SAN FRANCISCO GAME

Mingled reverses to Perry and Reams and straight thrusts by Bertelson featured the Panther offense which gained 11 first downs through its running attack.

Mare Island, a team which had provided competition for other jaysee elevens, provided for the Panthers a game more or less in the nature of a track meet as the Sacramentans rolled up a 51-0 score that was featured by Bill Oakes' 94 yard runback of an intercepted pass.

The game opened with the first score by Joe Smith, 39 yards to a touchdown on a reverse play. Sartore scored next from nine yards out after an apprentice punt had been blocked. The fumble play accounted for the next tally when Lopez went over from the 19 yard line, fumbled, with Louie recovering for the score.

Reams and Perry accounted for the next twelve points with runs of 35 and 15 yards respectively. Bertelson climaxed a sustained drive by plunging to a touchdown from the 4-yard line, and, immediately after, Lopez faked a pass and ran 20 yards to another score. Lopez ended the day's scoring with a touchdown from the 25 yard line.

Hack Applequist's fast moving Panthers swept to a decisive 20-0 victory over the Cal. Aggies in the annual big game played Friday night, October 23. Only once, with a first down on the Sacramento 7-yard line, did the Aggies seriously threaten, and as the battle progressed it became evident that the winner would be decided on the basis of Panther speed versus Aggie passing.

The jaysee team made its first tally when Bertelson plunged over from the 2-yard line, ending an 80 yard sustained drive that was featured by Bertelson's 34 yard jaunt through tackle. Quarterback Al Painter converted. Early in the third quarter, after gaining 11 yards from the Aggie 42 in two plays, the Panther forward wall broke Perry into the clear for 31 yards and a touchdown. Painter again converted.

GAME

A few minutes later, with Perry and Bertelson gaining at will, assisted by Bill Oakes' 22 yard run, the Sacramento eleven found itself on the Aggie 5, where Bertelson drove over guard to score the final tally, making the score 20-0. Perry exhibited a beautiful piece of open-field running when he wriggled his way 82 yards to a score only to have the gain nullified when the play was called back and the Panthers penalized for illegal clipping.

A QUARTET OF CAL. AGGIES NAB BERTELSON

BOB MAY

CLIFF BERTLESON

Spurred on by Coach Fred Earle's protest of Cliff Bertelson's eligibility, and aided by Modesto's supremacy in punting from the toe of John Irey, big right tackle, the Pirates handed the Panthers their initial conference setback, by a 14-7 count.

Sacramento, further handicapped by the loss of Bill Hunter and Carlos Long, regular guards, and Al Guerrero, tackle, still managed to tally first as Bertelson scored from the 1-yard line after a 67 yard drive motored by Perry. Painter converted.

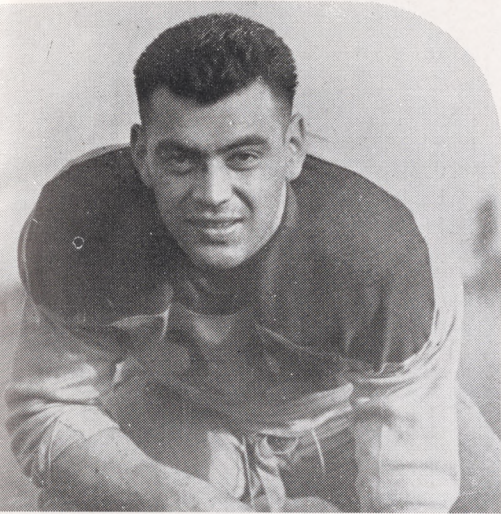

Modesto scored its first tally when the Pirates took possession of the ball at midfield after a blocked punt and marched to the 13-yard line, from which point Bob Norman scored on a reverse. The second Pirate score came with a 16 yard pass from Norman to Delucchi.

Coming to Sacramento determined to revenge their 1935 defeat by a 27-6 score the San Francisco footballers turned on the heat to defeat the Capitol City team by a 27-0 drubbing. The Ram passing attack, a potent weapon at all times, scored two touchdowns and figured in the drive for the others.

The first touchdown was made on a 26 yard Ravetto to Guedet pass in the first quarter. Pedrin converted. An Allen to Guedet pass tallied again in the first period and Pedrin's placement made the score, Rams 14, Panthers 0 at halftime.

A 75 yard march from the opening kickoff gave San Francisco its third score in the opening minutes of the second half. Fullback Al Mauer scored from the 3-yard line. The final touchdown was made by Englehofer's one-yard plunge, after he had passed 34 yards to Pedrin on the 1-yard line. Tellesmanic converted and the final score was 27-0.

An open-field running duel between Cliff Perry and Harold (Fast-Mail) Johnson of the Marin team, stood out in a game in which the Mariners and Panthers battled to a 7-7 deadlock.

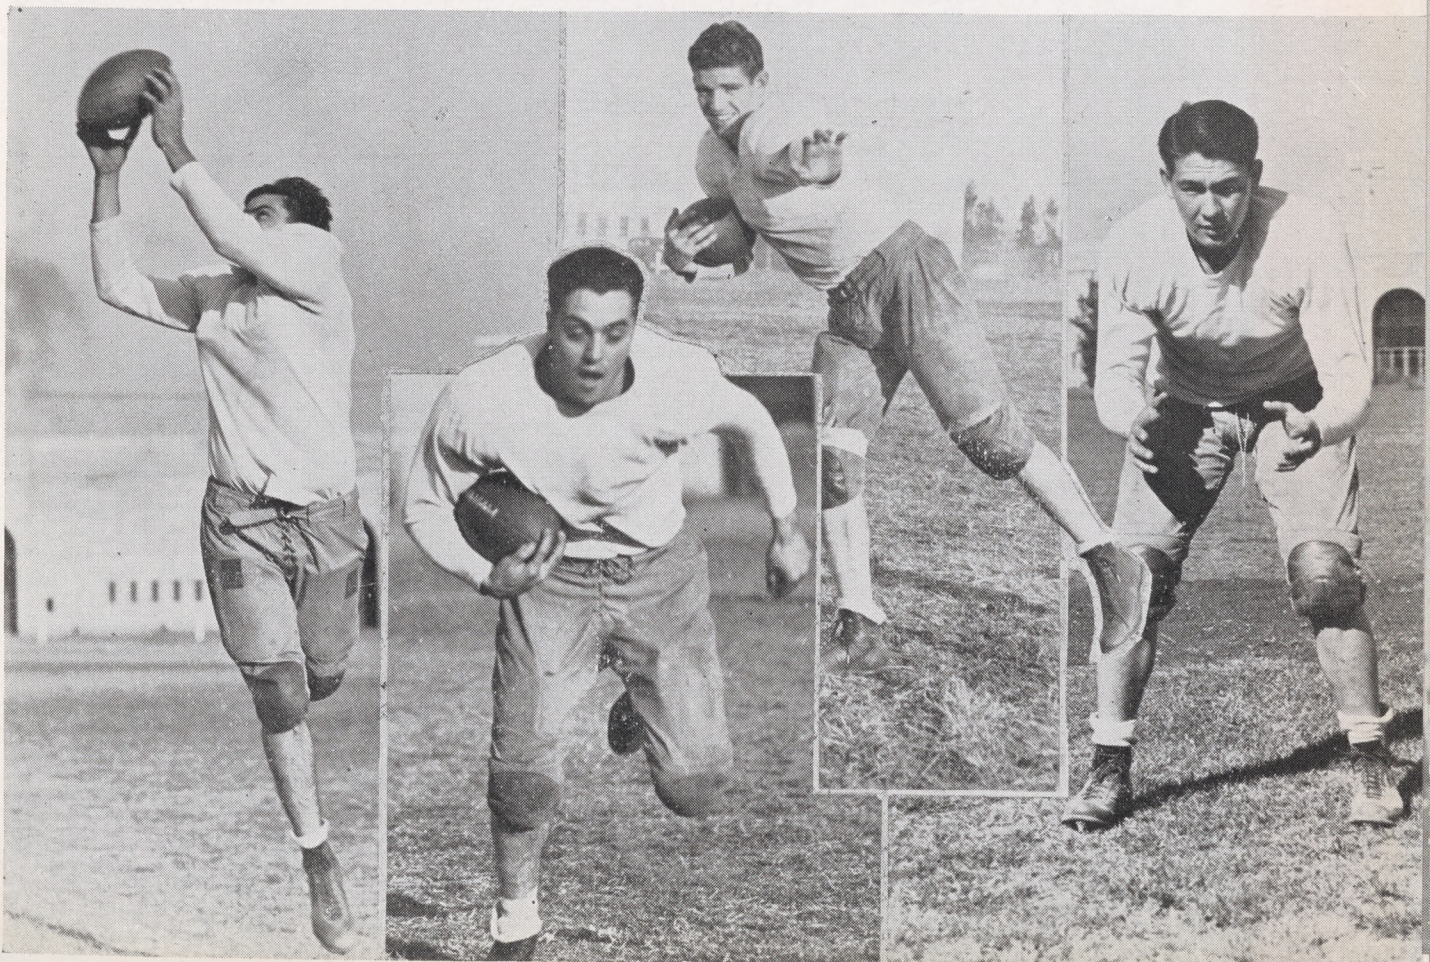

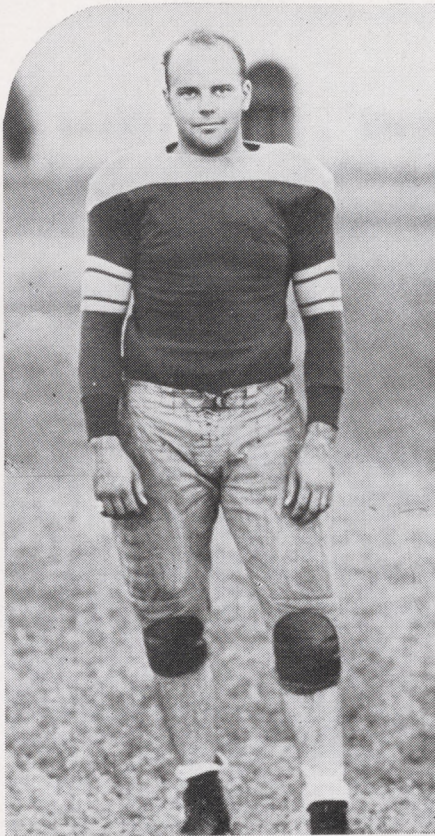

AL GUERRERO

The Sacramento offensive was typical of a Warner system team, with lots of yardage gained between the 20-yard lines, but a lack of scoring punches in the pinches. Cliff Bertelson made the longest pass of the season, a 60 yarder to Calleri, the Panther captain being downed on the 1-yard line as he caught the ball. Bertelson plunged through center to score, and Sartore converted.

Five consecutive first downs and a 14 yard Mullin to Smith pass gave the Mariners six points, and Taylor's conversion deadlocked the score 7-7.

BILL HUNTER

The rejuvenated Sacramentans hit the comeback trail in their annual Thanksgiving day game with San Mateo, and sent a badly scared Bulldog scurrying home to give thanks that he had escaped with a 13-0 victory.

To a substitute fullback, Fred Sartori, went a great deal of credit for the splendid Sacramento showing. Entering the game late in the second quarter in place of the injured Bertleson, Sartori proved himself to be the finest backfield man seen in action in the stadium all year.

Taking the opening kickoff, the Panthers surprised a crowd of 5000 with a drive almost the length of the field, but were held in the shadow of the San Mateo goalposts. A few minutes later Calleri recovered a Bulldog fumble on the 33 yard line, but a Sacramento fumbled reverse lost the chance for a score.

After an exchange of kicks, Ledebear, All-Conference quarterback, led San Mateo on an eighty yard drive, culminating in a score from the 2 yard line. Gillaspy converted.

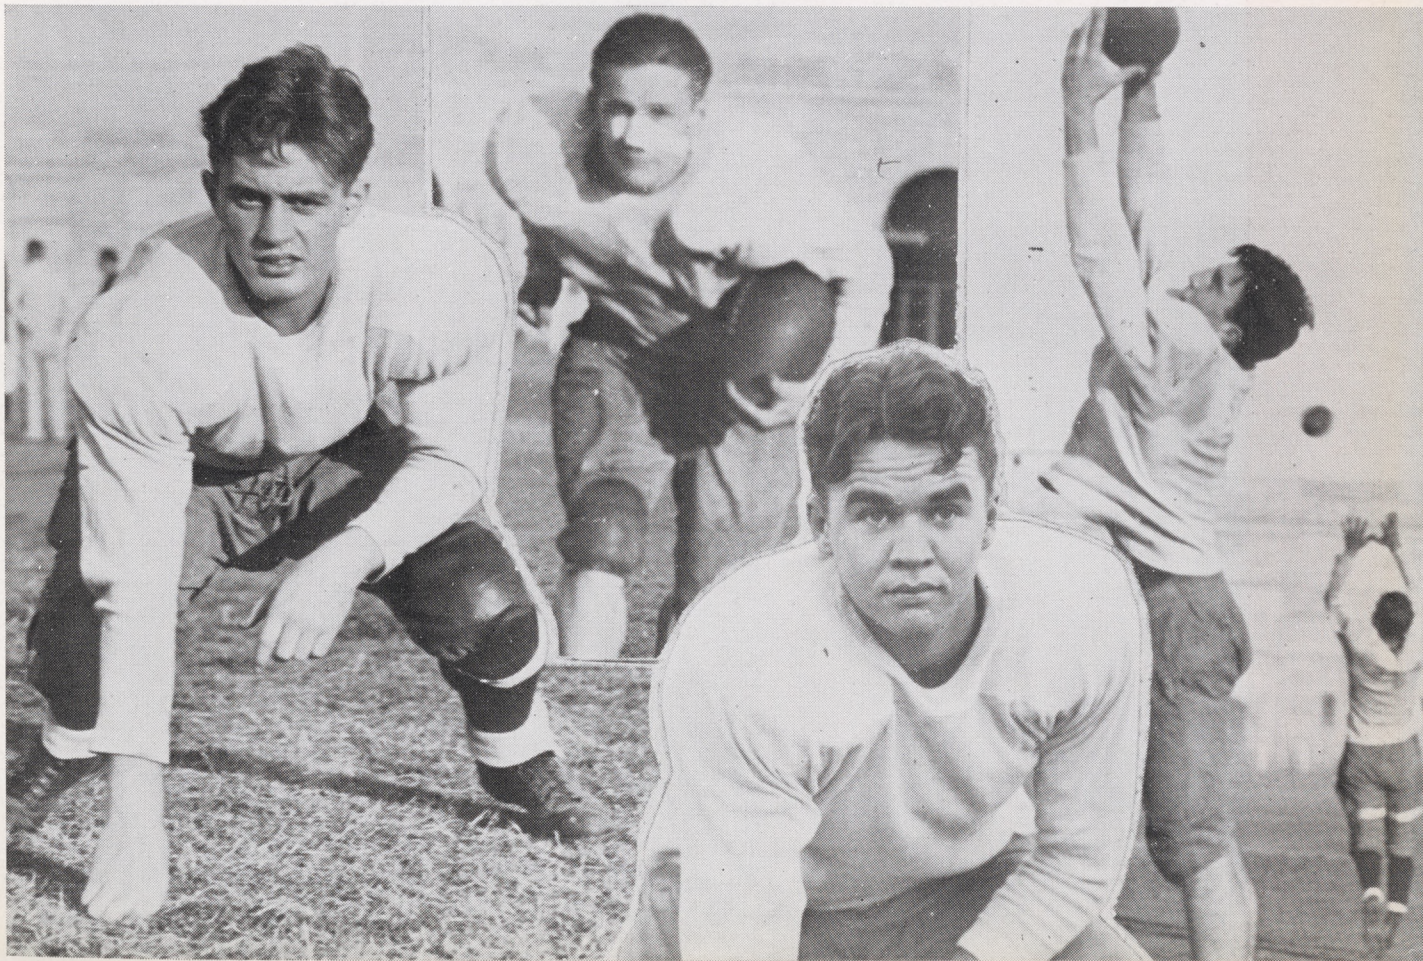

San Mateo's second touchdown came in the third quarter. Taking the ball on the 50 yard line, Ledebear, on a flanker play, broke loose for 26 yards. The old Statue of Liberty play accounted for 11 yards, and Higgins drove over for the score.

Had a few of Sartori's accurate passes not been bobbled, a Sacramento victory would have resulted. Reams constantly threatened the San Mateo lead with sparkling runs, one of them for 28 yards. Calleri and Guerrero starred in the Panther line.

The starting line-up for most of the season included Captain Jess Calleri and Vern Schmidt at ends, May and Guerrero, tackles, Long and Hunter, guards, McCandless, center. The backfield boasted Ben Reams and Cliff Perry at the halfback positions; Cliff Bertelson in the fullback spot, and Francis Wai as quarterback. However, at almost the end of the season, Conkling Wai, freshman end from Hawaii, proved outstanding and moved into a first string end position, as Vern Schmidt replaced May at the tackle spot.

Outstanding among the reserve men were Joe Smith, Al Painter, and Fred Sartori in the backfield, and Ollie Foran, Olin Sneed, and Ed Anzore in the line. All of these men except Sneed will return to the Panther fold next season, and much is expected of them. Sartori proved to be a star in the San Mateo game, and immediately Applequist started building his 1938 backfield around the Sacramento Ace. Sneed, an outstanding man, was bothered with a trick knee, and was never able to play a whole game.

At the end of the season Al Guerrero, outstanding tackle, was chosen to captain the team for the coming year. Calleri was named the most outstanding man of the season, both as a player and inspirational leader. His

name was put on the All-American blanket which is to be hung in the new gymnasium, and a smaller blanket was presented to Calleri.

Ben Reams, halfback, and Bob May, tackle, were chosen to second team positions in the All-Conference voting. Honorable mention was given to Guerrero, Calleri, and Perry.

BASKETBALL

By TOM ENRIGHT, Sports Editor

The basketball season of 1936-37 saw a tremendously handicapped, green Sacramento squad fighting against overwhelming odds in a vain effort to add glory to the record set by Mercer coached teams of other years.

At times Coach Glenn Mercer's Panthers showed signs of greatness, but more often illness, inexperience, and ineligibility slowed down the fighting Red and Gold basketeters to a walk. Final seasonal results showed the Sacramento five in a tie with Santa Rosa for fourth place in the Northern California Junior College Conference standings.

S. J. S. RESERVE TEAM

Outstanding among the Mercermen for the season were Captain Al Irwin, veteran forward, and Jim Addy, sensational high-scoring freshman from Yuba City. Irwin, however, fell victim to a flu epidemic, and was unable to compete in half of the conference games. Addy emerged high scorer of the Panther team, and received second string rating in the All-Conference team picking.

Consistently strong guards of the Sacramento netsters were Len Campbell and Lou Chorak. Both of these men were defensive bulwarks, besides adding considerably to the Panther scoring record.

FORBES

Les Watson, tower-like center, and Darrell Dickinson, another scoring ace, were ineligible for half the season, but returned to close the season in a blaze of glory. Bob Forbes, diminutive veteran forward, alternated with Dickinson, and was invaluable on offense.

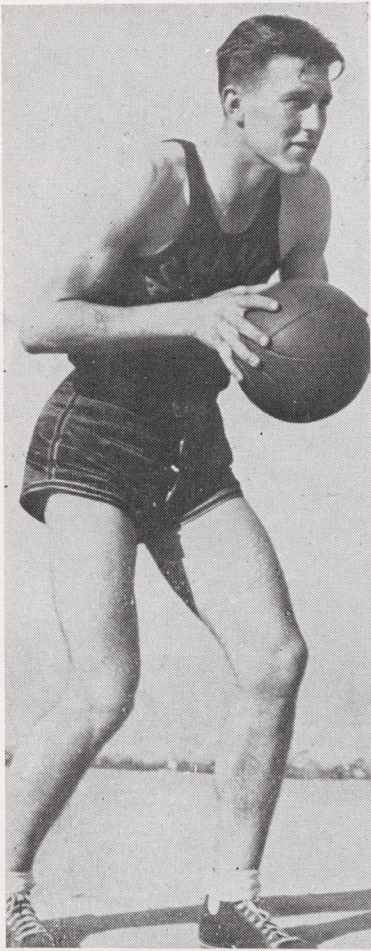

Capable reserve strength was found in Bill Cannon, Jerry Lopes, Jerry Bosko, Art Elliott, Nelson Eddy, Vernon Schmidt, Dave Stone, and Frank Lindeberg, a group of freshmen who will be counted on for next season's play.

Aggie Games

Glenn Mercer's basket squad showed strong early season promise in splitting a two game series with the Far Western Conference California Aggies. The Panthers, minus the services of Captain Al Irwin, lost a Thursday night game to the farm boys by a score of 40-29, with Bill Cannon leading the Red and Gold shooters. On the following Saturday Irwin, who gathered 16 points, and Watson led the Panthers to a 46-42 victory.

Chapman College

The barnstorming Chapman five found a Sacramento team suffering from the flu epidemic, and outran the tired Mercermen to come off with a 47-33 win. Irwin and Bob Forbes were the Panther's best.

SCHMIDT

Marin J. C.

"Scoop" Carlson's Marvelous Mariners proved to be a hard hurdle for the Panthers, who dropped two close games by 37-25 and 35-27 scores. Campbell and Forbes led the Sacramento attack.

Santa Rosa J. C.

Dickinson led the Mercermen to victory in the first Bearcub games, which ended 40-29 in favor of Sacramento. Watson also scored 10 points. The second game of the series saw Santa Rosa win by a 38-28 advantage. Chorak and Addy paced the Panthers, with Campbell showing strong on defense.

Chico Series

Chico State, who later won the Far Western Conference championship, was surprised in the strength shown by the J. C. five, but eked out two wins by 34-28 and 40-39 scores. Watson scored 28 Sacramento points in the two games.

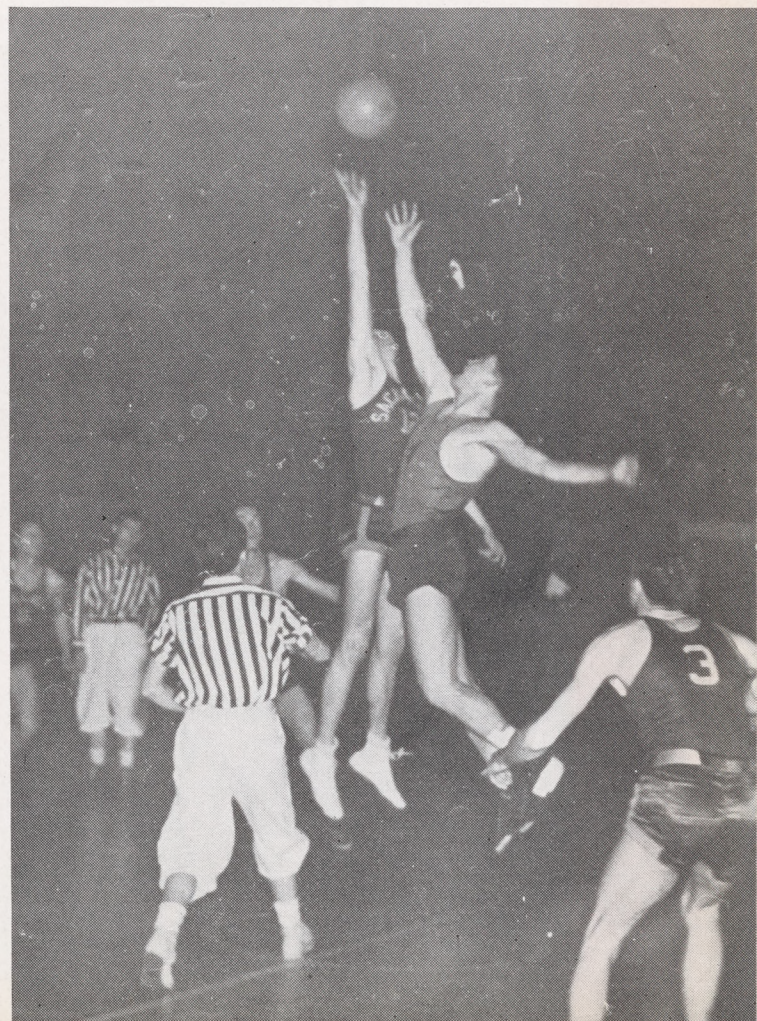

Frosh Games

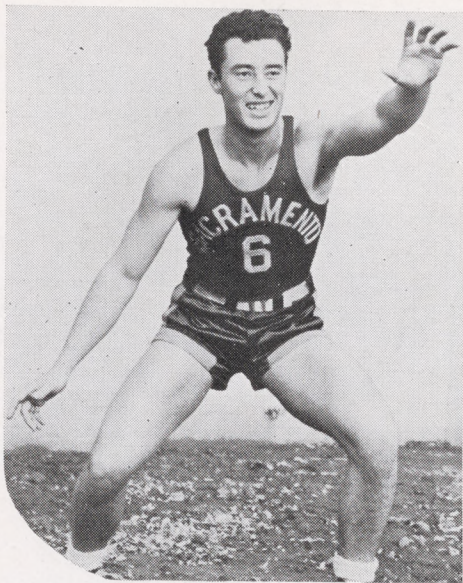

Playing before huge crowds against Stanford, California, and Santa Clara freshmen teams proved to be too much for the Panthers, who dropped the three games by 53-36, 54-36, and 43-38 scores. Dickinson and Chorak proved outstanding against the first year teams.

Menlo Series

Menlo J. C. showed little opposition to the Capital City shooters in their first conference competition. Final scores were 60-46, and 43-34 in favor of the Panthers. Addy scored 23 points, followed by Irwin with 20 in the first game of the series, and Chorak led with 10 in the second.

The Sacramento team found little difficulty in defeating the Yuba County J. C. by 54-29 and 43-25. Dickinson scored 24 points in the two games, followed by sensational Addy with 21. Campbell and Chorak were impregnable on defense.

San Francisco J. C.

San Francisco's Rams proved too strong for the Panthers in a home and home series. Final scores showed the bay team winners by 54-28 and

37-32 scores. Irwin, back in play again after an illness, led the Sacramento attack. Campbell again proved indispensable defensively.

San Mateo J. C.

Al Irwin, backed by Addy and Campbell, kept the Mercermen in the running against San Mateo's Bulldogs in two close games. Final scores showed the visitors leading 46-26, and 40-35. This game put the final dim on Sacramento's first division chances.

Modesto J. C.

The league-winning Modesto Pirates continued their undefeated record with 43-25 and 50-30 wins over the Sacramentans. Irwin showed All-Conference calibre in his last two games of his Junior College career. Campbell and Chorak, together with Forbes, backed Irwin strongly in the season's final games.

COACH L. D. WELDON

TRACK

By TOM ENRIGHT

Continuing the precedent established by Weldon coached teams of the past five years, the 1937 Panther cinder steppers again carried home the trophy symbolic of Northern California Junior College Conference championship from Kentfield, home field of Marin J. C., in the annual conference track meet.

Final scores showed Sacramento first with 60 points, San Mateo, the favorite, second with 49, followed by Modesto with 26. Menlo scored 7 points, and Santa Rosa and San Francisco accounted for 6 each. Marin did not score.

At the beginning of the season even the strongest of Panther supporters saw ahead a poor season for the usually champion capital city squad. Only a few men had returned from the wonder team of the year before, and, with the exception of half miler Jerry Lopes, no exceptionally strong new men were seen among the turnouts.

Weldon expressed the idea at the beginning of the season that this was his year to find out whether or not he was the great track coach that people gave him credit for being. His job looked hopeless, but the intrepid Panther mentor set himself to building a team which could at least make a good showing in competition, little expecting the success that it was to attain.

Among the turnouts were John Spencer and Ed Johnson, a pair of sprinters from far off Hawaii, and Bud Bernardo, a football player and sprinter. In the bromidic "ten easy lessons" Weldon amazed sport followers by turning these three men into a trio of the state's greatest junior college hurdlers. These men, together with Busby, former Sacramento star, swept the hurdle races in the conference meet, thus accounting in a large measure for the Panther victory.

Even the most loyal Weldon fans expressed doubt when he moved Jerry Lopes, freshman half miler and winner of that event in the state high school meet last year, to the mile event, and brought Captain Joe Calder, a good miler, back to the 880 yard run. Two weeks later, in his second race as a miler, Lopes cracked the world's junior college mile record with a 4:20.6 run. Calder, too, proved to be the greatest 880 man in S. J. C. history by knocking 7/10 of a second off the long existing half mile record.

Kenyon, pole vaulter from Stockton, and Campbell teamed with Holderman to show exceptional strength in the high leaping event. Holderman and Joe Smith, a mid-season discovery, gathered plenty of points in the high jump.

The 440 races in conference competition saw the greatest quarter mile runners in northern junior college history break the long existing 440 record. Dick Boorman and George Thebolt of the Panthers were numbered among the four best men in the conference, both breaking 50 seconds consistently.

Ritchie, Patterson, and Perry, together with Boorman, took home a goodly share of places from every meet. Ritchie led the Panther sprint stars with a 9.7 hundred yard dash.

Two inexperienced men, Ivan Karacozoff and Bob McCandless, developed into a pair of the better weight men in the conference. Frank Lopez,

JOHNSON, CAMPBELL, SOUTAR

SPENCER, POTTER, McCANDLESS

broad jump, shot, and discus star, also collected an average of two first places per meet.

As usual, the Weldon team was strong in the javelin throwing event, the Panther coach being a former All-American javelin tosser. Prewitt and McFarland, the latter field captain of the team, overcame nearly all competition in the spear casting event.

Some people do not realize the full extent of the Panther triumph. Some would be surprised to hear that the Sacramento victories have amounted to "The World's Junior College Track Championship." Nevertheless, it is true. In defeating Pasadena J. C., the Weldonians overcame the strongest team of southern California, a team which had been undefeated in two years of competition. When the conference meet was won, the Sacramentans were on top in northern California, and, as California holds the corner on junior colleges, established themselves as "the world's best."

California Frosh	67

A wet field slowed down the times of competitors as the California Freshmen, strongest in the history of the Bear institution, defeated the Panthers by a close score. The Weldon team showed inexperience, but gave promise of coming through later in the season. Ritchie, Busby, Lopez, Kenyon, and McFarland brought home Sacramento's only first places. Karaczoff and McCandless surprised with their second and third places in the shotput.

San Mateo 66½
 Sacramento 55½

Though taking by far the majority of second and third places, the Panthers could not gather enough first place points to defeat the favorite San Mateo Bulldogs. The entire Sacramento team showed promise of the power that was to come later in the season. Times improved considerably, and surprising strength was found in the field events. Prewitt, McFarland, and Wai accomplished a clean sweep in the javelin throw, and Kenyon and Holderman took a one-two in the pole vault. Frank Lopez and Doug Busby also took a one-two in the broad jump. Lopes and Calder, changing positions for the first time, showed signs of strength to come.

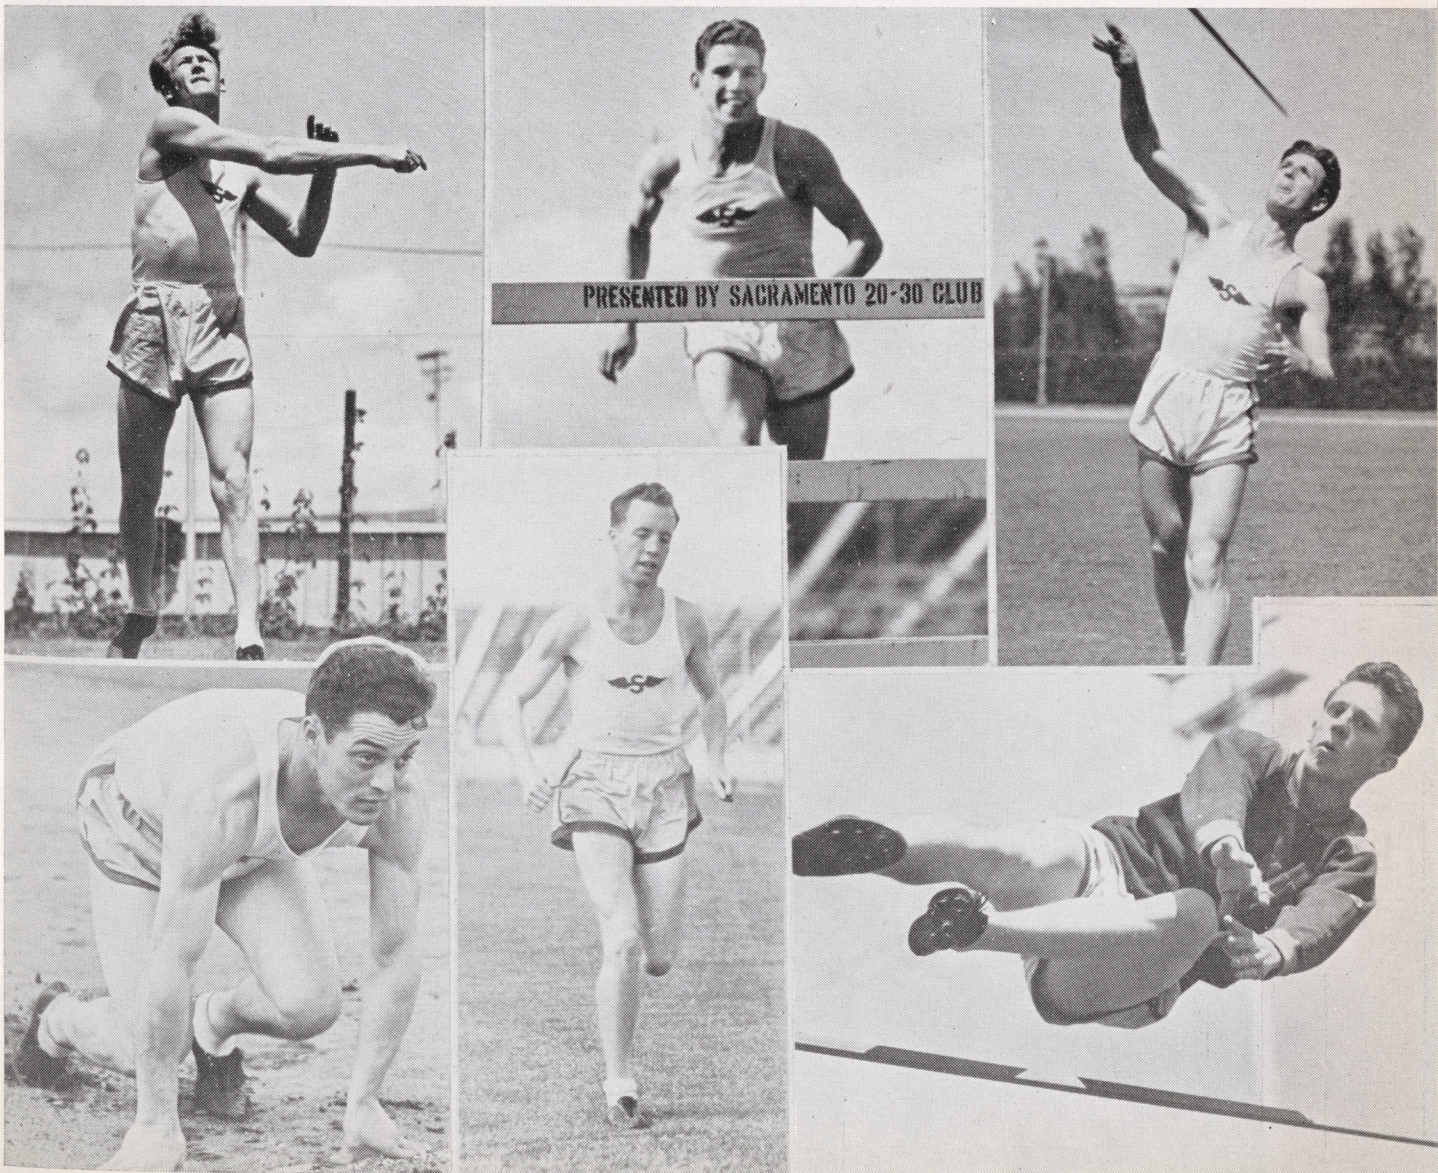

Sacramento 64½
 Pasadena 57½

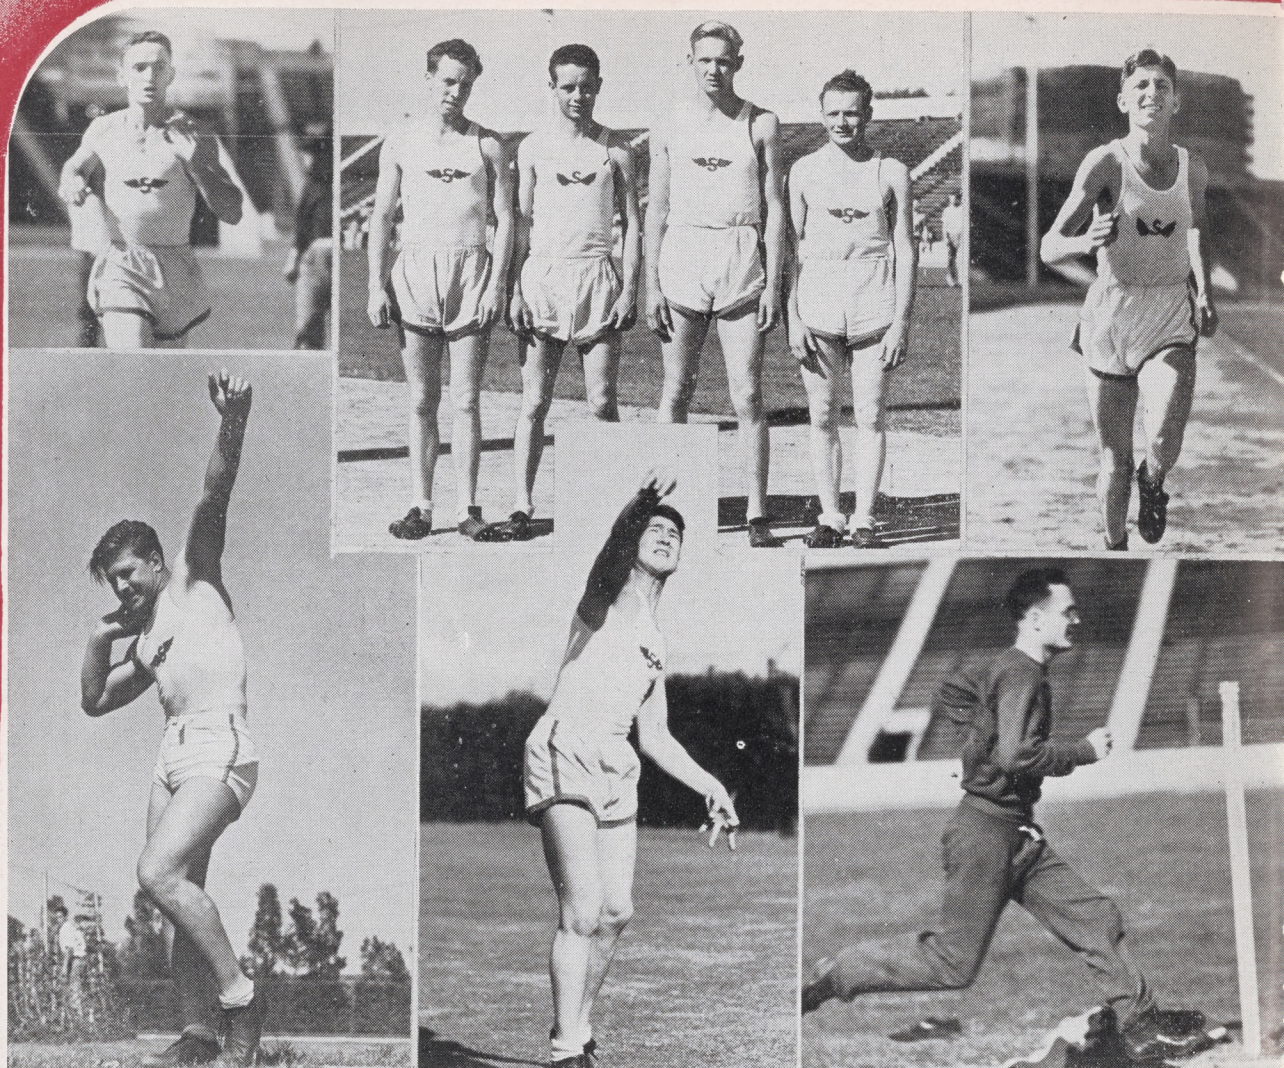

Headlined by the stellar record breaking performance of Jerry Lopes, who romped off the mile in 4:20.6, the Panthers accomplished the impossible in defeating the southland's strongest J. C. team. Led by Mack Robinson, Olympic games sprinter, the southern boys were expected to trounce the Weldon team. The meet from beginning to end was packed with excitement and keen competition. A clean sweep in the discus event by Lopez, McCandless and McFarland made sure the Panther victory. Calder's 1:58

half mile performance, breaking the school record, was one of the high spots of the evening. The entire capital city team covered itself with glory in its surprising strength.

Sacramento 80 $\frac{1}{2}$
Modesto 40 $\frac{1}{2}$

Sacramento's traditional rivals, the Modesto Pirates, furnished little competition for the strong Panther squad. Only Howard Upton, 440 man who established a new world's J. C. record in the quarter mile with a 48.4 run, furnished any kind of strength for the Modestans. Calder again clipped down the school 880 record, as he romped the distance in 157.8 time. Lopes loafed to an easy win in the mile event. Sacramentans Lopez, Prewitt, Holderman, Kenyon, and Karaczoff accomplished a Panther clean sweep of field event first places. Ritchie was pressed hard by Perry as the two Sacramentans took one-two in the hundred yard dash. The winning time was 9.8. Doug Busby again won the high hurdle race, as he raced home ahead of teammates Spencer and Bernardo in 15.4 time.

Sacramento, 102
San Francisco 20

"Weldon's Wonders" continued to win, and found nothing to stop them in the San Francisco Rams. The Panther short and shirt men took every first place but one, a tie for first in the pole vault. Lopez was a dual winner in the massacre, taking first in the discus throw and broad jump. No exceptional times were registered, although Busby did cut down his time to 15.2 in the high hurdle race. The meet did show, however, that the Weldon-

ites were in shape for the conference meet the following Saturday, and hung up a new record in team scoring, the old record being a 100-22 win over Modesto the previous season.

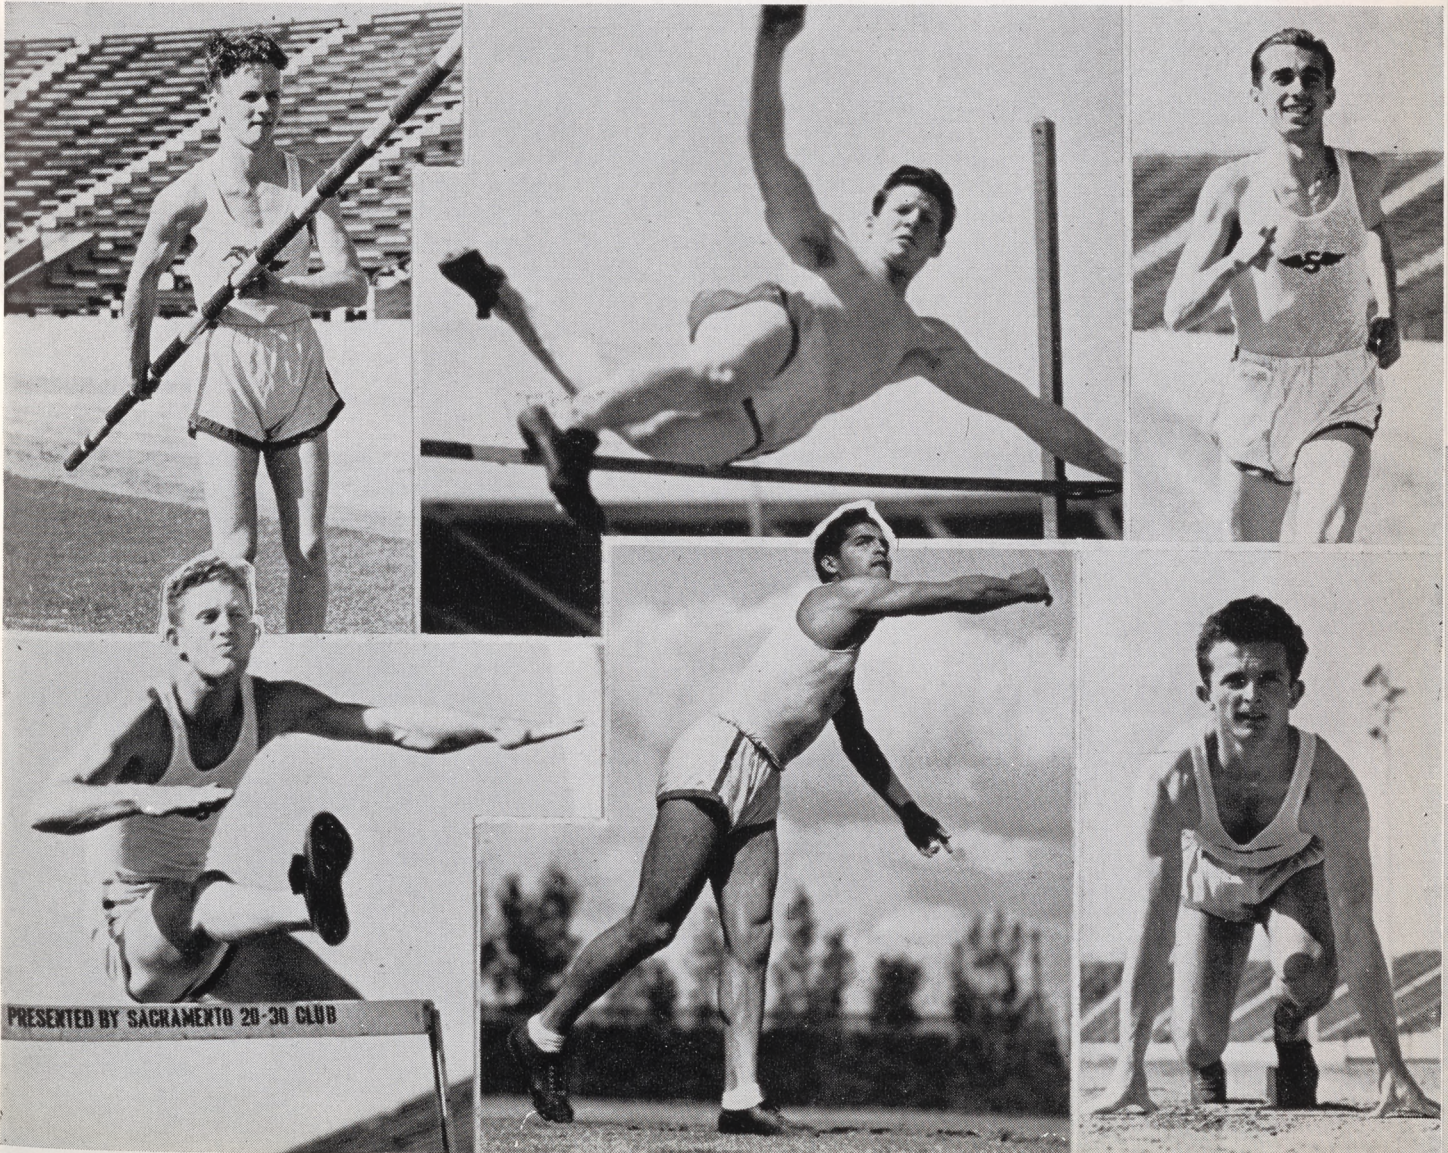

Conference Meet

Entering the meet as underdogs to a favorite San Mateo squad, the "Capital City Comets" surprised even their staunchest supports with an 11 point victory. The meet was thrilling throughout. San Mateo held the lead until the hurdle races, when Busby, Bernardo, Johnson, and Spencer swept the field to take practically all of the points in the high stepping races. Weldon gives full credit for the victory to Thebolt, Bernardo, and Campbell, a trio of unexpected winners who surpassed their own best marks to add valuable points to the Panther total. The running of Lopes and Calder was spectacular, together with the vaulting of Bob Kenyon, who leaped up to 12 feet 8 inches. Credit in full must be given to the entire Panther team, who proved the truth of the old sport saying, "A team that won't be beaten, can't be beaten." At the time of the printing of this book, the Sacramentans will still enter the Fresno and Eureka Relays, and are expected to bring home a good share of the medals. Supporters of the Panthers feel that if the Weldon team shows as much fight as it did all season in building itself up from nonentities to world champions, victory is assured.

Competing in its first season as a member of the Northern California Junior College Baseball Conference, Coach Bill Sim's baseball team has thus far compiled an enviable record. With half of the season completed at the printing of this book, the bearers of the Cardinal and Gold are in first place in league standings with a record of seven wins and three losses.

Outstanding among the Sacramento players are Captains Syl De Gregorio and Bill Jameson, together with Isadore Smith and Ross Grimm. De Gregorio established himself as one of the Panther greats during the recent Modesto series, when he collected a triple, two doubles, and a single in the two tilts.

Pitching strength has been a great factor in the Panther victories, Lazzarone, Keenan, and Fields being recognized as three of the better tossers of the conference. These moundsmen have been consistently strong, allowing an average of five hits per game.

Bill Jameson, veteran catcher, and Art Quadros, a newcomer, have proved to be exceptionally strong alternate backstops, and are recognized as two of the strongest in Panther baseball history.

Rated as one of the classiest in the conference, the Sacramento infield has shown amazing capability during the season. Its lineup shows Smith at first base, Quintana or Forni on second, DeGregorio, shortstop, and Grimm on the hot corner.

March 6

In its first conference series, the Panther team got off to a good start by easily defeating the San Francisco J. C. Rams by 5-3, and 8-0 scores. Grimm led the Panther hitting.

March 16

Meeting their traditional rivals, the California Aggies, in a non-conference game, Sim's Sluggers proved too strong for the four-year college team in defeating the Farmers by a 2-0 score. Fields, under fire for the first time, pitched a stellar four hit game.

April 3

San Mateo's Bulldogs proved strong enough to split the series with the Panthers in their second conference series. San Mateo won the first game of the series, a fifteen inning affair, by a 2-0 score, but the capital city team came back strong in the second game to win by a 14-0 score. Lazarone pitched outstanding ball.

April 10

Meeting Marin J. C., supposedly the strongest team in the conference, Coach Sim's tossers upset the dope, and easily won both games of the series with 3-2, and 4-0 scores. Relles, playing his first game for the Panthers, and Captain Syl De Gregorio, were outstanding Sacramento hitters.

April 17

Strong competition was encountered when the Panther team met Modesto's Pirates, last year's conference winners, in a crucial series. The Cardinals split with the Modestans by scores of 2-3, and 6-4, to retain their first place position. Fields, although not strongly supported by his teammates, pitched a strong game.

April 20

Playing in the final series of the first half of the conference round robin, the Sacramentans encountered unexpected strength, and lost the morning game by a 19-6 score, but came back strong to annex the night-cap 8-3.

CREW

By KENNETH ZUMWALT

Unfortunate circumstances deprived Coach Glenn Mercer the fall rowing season but the large spring turnout with its wealth of veteran material more than superceded this handicap. Averaging 180 pounds in weight and exceeding 6 feet in height this turnout manned three consistent shells and finished the season with an enviable record.

Returning veterans were: Jim Anderson, Mark Schribner, Harold Court-right, Fred Carlin, Pete Mar-incovitch, Bob White, Everett Pease, Jim Loranger, Jack Purcell and Jim Burnside.

The purchase of a new shell, officially christened the "Panther Clipper" in an elaborate ceremony March 12, brought the Sacramento navy up to full racing strength.

Oregon State Race

The initial race of the semester resulted in a decided win over the powerful Oregon State varsity. Crossing the finish line two and a half lengths in front of the visitors the Sacramento Junior College varsity established the time of 6:28 in the 2,000 meter race. The Jayvee's loaned their shell to the visitors and handicapped with a seldom used boat finished behind the visiting eight.

California Freshman

Panther shells, number one and two, were defeated by a powerful California Freshman crew. The visitors finished four lengths ahead of the first Sacramento boat. Due to Ebright's 1940 Olympic preparation program, the visitors were far above the average and easily subdued the Panthers. The freshmen, who brought their own shell with them, presented it to the Panthers after the race.

U.C.L.A. at Los Angeles

Weakened by the illnessmento crew was nosed out 2,000 meter Long Beach of Jim Anderson in the num-by a length in the UCLA Olympic course. The Jay-ber 8 position, the Sacra-junior varsity race in the evee's routed the freshman shell of the Westwood Institution and crossed the finish line a length and a half ahead of the cubs. The time was 7:14.

Washington Lightweight Crew

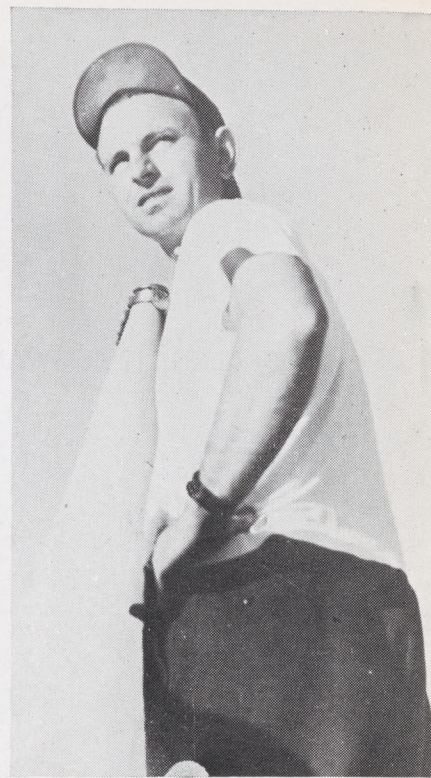

The Washington Lightweights nosed out the Panther boat by a foot in the 2,000 meter race in 5:12, the fastest time ever made in the history of the crew. Assisted by a strong tail wind and a fast current the visitors beat all existing Olympic times by more than a minute.

The lineup for the race was:

Jim Anderson, 8; Jim Lorange, 7; Ted Mackiney, 6; Jim Newsome, 5; Harold Court-right, 4; Al Norris, 3; Pete Marinovich, 2; Bob White, 1; and Jim Burnside, Cox.

Freshman Race

In the final race of the year with the California Freshmen on the Oakland estuary, the Panthers suffered three straight losses. The varsity ran into hard luck as well as floating debris and cut their stroke down to 36 only to have the Bear crew forge ahead and cross the finish less than a length ahead. The time was 6:15. Olympic time for the same course was 6:37.

The Jayvee's were nosed out in the last hundred yards after having led all the way and the third shell lost over the 1000 meter course in the time of 3:13.

INTRAMURAL

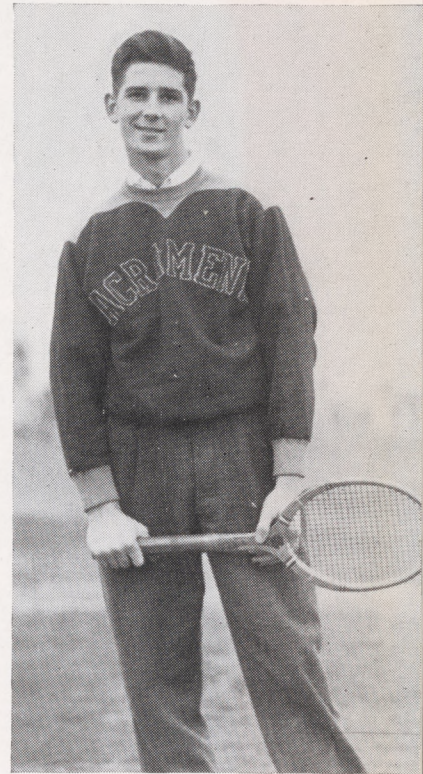

By GEORGE ROSS

Intramural sports, under the direction of Coach Bill Sim, enjoyed a position higher in the estimation of the students of the college during the year 1936-37 than ever before in the history of the school. Continuing to make stronger the old established activities, Sim also introduced new ones which immediately caught the fancy of the citizens of the college.

Competitors in the intramural parade were divided into groups bearing names as colorful as the men who competed. Outstanding among the organizations were the Flying Pouhis, Frosh Adders, Slap Happy Napans, and the Five Finks.

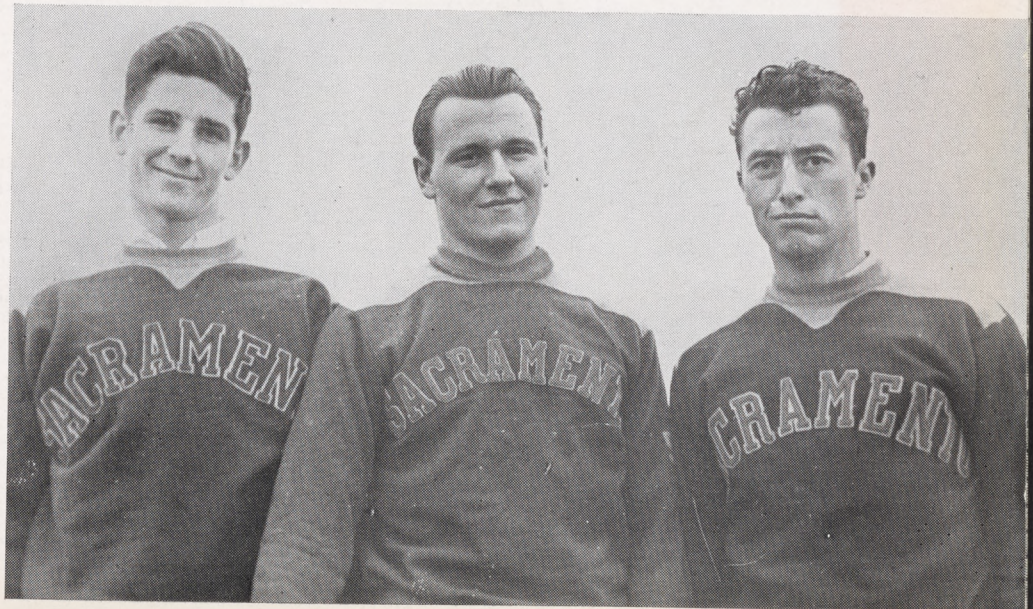

Football

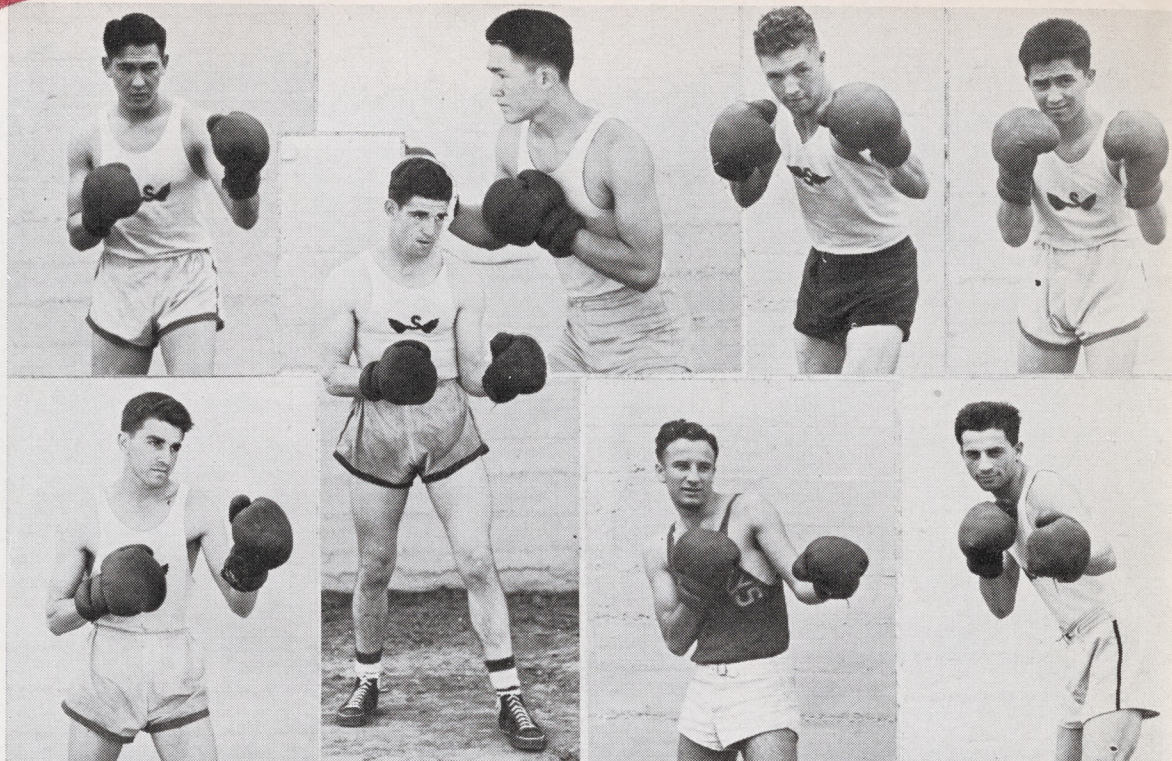

Starting off the intramural season in grand style, the Five Finks, a group of former Christian Brothers High School athletes, swept the touch football league. Reese, Patrick, Smith, Quintana, Bob Pendergast, Barney Pendergast, and Williams made up the title winning squad.

Basketball

A surprise team, the Frosh Adders, established at the beginning of the intramural basketball league, and not competing for the touch football championship, registered an easy win for the basket title. Lewis, Chorak, Campbell, Addy, Eddy, Brown, and Neely were members of the squad.

Baseball

Representatives from the far off islands of Hawaii found little difficulty in annexing the softball championship. The Flying Pohius, headed by McCandless, Johnson, Francis Wai, Conkling Wai, Long, Spencer, and Petri of Hawaii, and backed up by Busby, Oaks, Vance, DeGregorio, and Bosko, defeated the Chimpanzees by a 13-10 score in the final title playoff game.

Boxing

Sponsored by the College Y, the Second Annual Intramural Boxing Championships proved to be one of the main sport attractions of the year.

In the feature bout of the finals, Conkling Wai, 180 pound

scrapper, defeated Ivan Karacozoff, giant Russian, in a bout for the heavyweight championship.

Francis Wai, brother of the upper division champion, was scheduled to meet Jim Anderson, stroke of the Panther crew, in the finals of the light heavyweight division, but was awarded the title on the default of Anderson.

Gridders Bob Bernardo and Cliff Perry staged one of the more colorful bouts of the evening, as Bernardo nosed out Perry for the title.

"Hindu" Relles and Jerry Bosko, fighting for the championship of the 165 pound division, staged a battle which is long to be remembered.

Other bouts saw Brown decision Watters for the 145 title; Humphreys outclass Madera in the 115 pound ranks; Sestito annex the 115 pound title from Bullock, and Graves receive the nod over Arnold in the 135 division.

Other Sports

The Flying Pohius proved superior in the playoffs for the volley ball title. Almost the same lineup that made up the baseball league winning team saw action in the volley ball victory.

Ken Lewis, Frosh Adder entry, and Isadore Smith, representing the Napans, came out victorious in the tennis and ping-pong championships.

At the time of the printing of this book, golf and swimming are scheduled to appear on the intramural program. These sports will wind up the events of the year.

SKIING

Completing its second season as a recognized sport, skiing under coach Bill Sim has established itself as a real challenger for sport honors in the junior college. This year the team made remarkable showings against some of the larger four year colleges on the Pacific coast.

The team which placed third in the California intercollegiates, held at Cisco, and then placed seventh in the Pacific coast meet in Yosemite Valley was composed of Tony Besio, David Renner, Maxwell McGuinn, Charles Watters, Don Lowe, Douglas Smith, Joe Buell, Manager Joe Calder, and Coach Sim.

The Nevada Wolves won the California title while the strong Washington State Huskies took top honors in the coast meet. The Sacramento skimen in both meets were above all other junior colleges and ahead of several four year schools.

Re-entering in Junior College Conference play after the absence of a year, the Sacramento Panther netsters, under the tutelage of Coach L. D. Weldon, totaled a more than average record. Full credit must be given to Captain Gordon Klippel, Ned Ishii, Ron Hampson, Al Nervig, and Manager Lawrence, the members of the team who did so well throughout the season.

Handicapped by lack of finances from the treasury of the college, the men of the team and Coach Weldon paid their own expenses to and from out of town trips, as well as the expense of rackets, balls, and other equipment.

At the time of the printing of this book, the Panther team holds a third position in league standings, with a strong chance of moving up higher before the season is over. San Mateo and Modesto Junior Colleges are now leading the league. The Sacramento squad defeated the one team that it played in out-of-conference competition, the California Aggies.

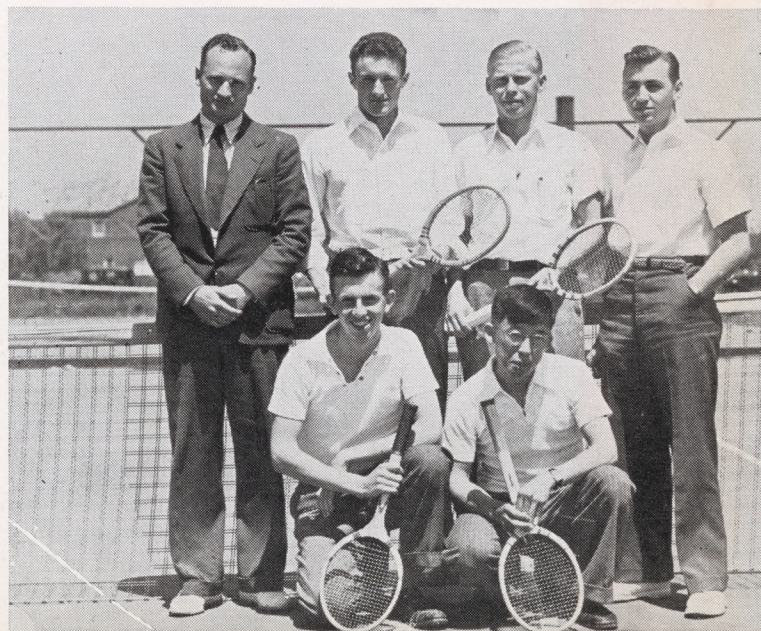

Wins for the Weldon-coached squad were a 4-2 score over Menlo, a 5-3 over the Cal Aggies, and a default from San Francisco. The losses were from Marin, San Mateo, and Modesto, by scores of 4-2, 4-2, 5-1, respectively.

All in all, the showing made by the netsters was very satisfactory to all concerned, and a bit of luck might have brought to Sacramento a conference title. Most of the players are expected to return to the college next year, and with such a nucleus around which to build a team, success is to be expected.

WOMEN'S SPORTS

By DOROTHY DANIELS

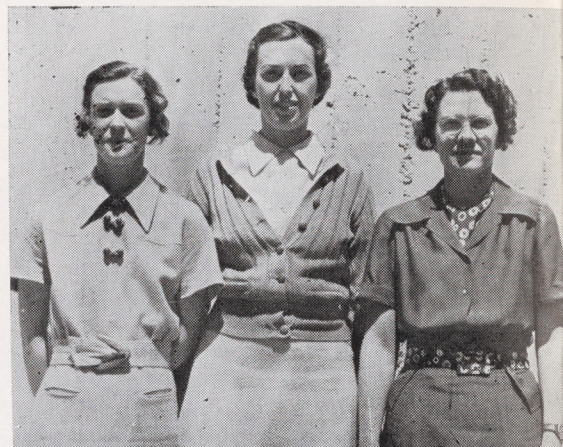

Setting their goal as the reorganization of W. A. A., the women's physical education department of the college have climaxed a successful year. The Women's Athletic Association, after a rest of two years, has seen a year full of many activities.

Under the leadership of Virginia Moore, the club held a Play Day, April 10, honoring the women of Modesto Junior College and the College of the Pacific. The nautical idea was carried throughout the day in which over 100 participated.

Lead by Virginia Moore as president, Jessie Myrick, vice president; Elpis Apolostos, secretary; Kathleen Starratt, treasurer; and Juanita Andrews, sports manager, the group has sponsored tournaments in golf, archery, ping pong, tennis, badminton, and swimming. Members of the horseback riding section have participated in the local gymkanas and horse shows.

For the first time the W. A. A. met in conjunction with the A. W. S. at the annual conclave held at San Mateo, April 16, 17. At this meet, the Women's Athletic Federation for Northern and Alta California was formed.

Three instructors, Misses Donaldine Grass, Kathryn Thomas, and Lorna Finch, offer to the women students instruction in swimming, riding, tennis and archery for regular physical education credit.

RALLY GAME

By CHARLES LEWIS

Something new in the realm of Sacramento Junior College athletics was introduced during the fall semester, when the "Rally Committee Ramblers," a football team composed of men who were not competing on the regular varsity, met the Panther Reserves in a benefit game, for the purpose of raising funds for the money-shy junior college baseball team.

Headed by Men's Representative Ken Zumwalt, and John Cowan, the rally men secured the coaching services of history teacher Pete Knowles, former College of Pacific football star, and after but one week of practice met the Reserves in an afternoon game in the junior college stadium. Admission charge was ten cents, and over thirty dollars was raised for the baseball fund.

Led by "Flingin' Fred" Sartori, the Reserves, oftentimes called the "Flying A's," defeated the "Archway Aces" by a 13-0 score. The rally men featured a stubborn defense, and held the score to far less than was expected by the prognosticators before the game.

Climaxing a sustained drive of forty yards, Sartori plunged across for the first Reserve score in the first quarter, and then converted the extra point with a place kick. A pass from Sartori to Bernardo in the last quarter of the contest accounted for the other score.

Outstanding among the Rally Committee men were Mark Schribner, Tom Enright, Martin Relles, and Bobby Williams. Sneed, Sartori, Lopez, Bernardo, and Delgado bore the brunt of the reserve attack.

Members of the committee team were: Jim Loranger, Harry Arnold, Jim Anderson, Jerry Douglas, Ted Fletcher, Ivor Burden, Dick Brown, Neil Haeckle, Adam Walsh, Wayne Thomas, Ken Zumwalt, Darrel DeCoe, Max Reese, Bob Blair, Mark Schribner, Butch Holderman, Hal Brayton, Max Forbes, Harold Tilton, Bob Forbes, Mart Relles, Bob Williams, John Cowan, and Tom Enright.

• DO YOU KNOW: IF all of the minutes you spend pulling out pins and unbuttoning "old style" laundered shirts were put together, they would add up into Days—and they'd leave you in a Daze, too!

• IF all the cuss-words you use in 40 years of "un-doing" the ordinary type of laundered shirts were printed on paper, they would fill a book the size of Anthony Adverse—and the criticism from the public would be Adverse, too!

• IF all the pins you pull out of your "old style" laundered shirts in a life-time, were thrown on your bedroom floor, it would make a pile many feet high—and SHE wouldn't like it either!
